globalrootsservices.com

A Northern Kentucky company that handles the recurring jobs a county, city, utility or campus has to buy every year: cleaning, hauling, deliveries, laundry, and the supplies that go with them. Small enough to answer the phone, registered and insured for government work, and already performing for Kenton County and the U.S. Army.

WHAT WE DO

- **Janitorial and custodial** for offices, shelters, clinics and shop floors; day or night crews; floor care and periodic deep cleaning.
- **Hauling and waste** as prime contractor: dumpster and roll-off service, debris and muck removal, recycling, managed with licensed local haulers under our contract and insurance.
- **Courier and delivery**: scheduled routes, same-day and hot-shot runs, specimen and document transport, mail runs between buildings.
- **Laundry and linen**: cart-exchange laundry for shelters and facilities (in service for Kenton County since October 2026).
- **Supplies**: janitorial, packaging, safety and shop supplies through our distributor accounts; ice melt and seasonal items quoted on request.
- **Grounds and seasonal**: snow and ice, mowing and grounds support through vetted local partners.

HOW WE WORK

- Written quotes within two business days; email or portal submission (VSS, Bonfire, OpenGov, SAM).
- Net 30 invoicing to your accounts-payable address; monthly statements with signed service logs.
- One owner-level contact for the life of the contract.

PAST PERFORMANCE

- **Kenton County Fiscal Court**, Animal Shelter laundry contract 27-04 (current, since October 2026): twice-weekly cart exchange, signed service logs, monthly invoicing. County contact available on request.
- **U.S. Army Corps of Engineers, New Orleans District**, contract W912P827CA001 (awarded October 2026; base year plus four options): dumpster and roll-off service at the Soils and Testing Laboratory through a licensed New Orleans hauler under our prime contract.
- **U.S. Army, Fort Hood**, contract W9115126CA013 (2026): cabinet and monitoring equipment supply for CLIN deliverables.
- **Defense Logistics Agency (DIBBS)**: active quoter on medical and industrial supply lines.

WHY A SMALL LOCAL PRIME

- **Set-aside eligible.** Federal and many state buys can be placed with an SDVOSB.
- **Local partners under one contract.** For hauling, grounds or specialty work we bring a vetted local firm under our insurance and paper, so you hold one contract and one invoice.
- **Thirty minutes from Covington, Florence, Burlington and Alexandria; seventy from Lexington and Frankfort.**
